

The Paddington Comments & Reviews

Hi Janna

I just wanted to send a sincere thank you to you and your staff for a fantastic night on Friday 5th December.

You and your team made the evening run very smoothly and we appreciate the efforts that were put in to ensuring that we had a good time and were looked after.

We have received some very positive comments from the staff regarding the venue and I wanted to ensure that you and your team were aware that we couldn't have asked for a better evening.

Many thanks again.

Kind Regards

Hi Janna

I just wanted to thank you and the team for the amazing breakfast this morning. I have been down this morning to thank the team personally but you hadn't started yet so I really want to let you know it was a great breakfast, the food was excellent, the staff were great bringing it up and everyone who attended were very impressed.

Thank you again for doing this for us.

Cheers

Maria
